Dear Mr. Kenney:

This is in response to your Freedom of Information Act (FOIA) request to the U.S. Army Chief Information Office/G-6 on 14 June 2018, forwarded to the U.S. Army FOIA Office, and subsequently referred to the U.S. Army Training and Doctrine Command, FOIA Office, on 27 February 2019, where it was assigned control number 19-0072. The request is for:

- 1) All Twitter direct messages (DMs) sent to or received using the official or semi-official Army Twitter account listed below. The search covered records from 28 July 2018 to the present. A search of earlier records by the user could not be conducted due to Twitter search limitations. @Malcolm_Frost
- 2) All muting, blocking, or reporting actions performed by the above account on user @jenniferdolan74."

A search of the U.S. Army Center for Initial Military Training Twitter account for responsive records, failed to identify any responsive records.

This decision is considered a TRADOC no records determination response to your FOIA request. General Stephen J. Townsend, Commanding General, TRADOC, is the Initial Denial Authority (IDA) and by position I am the delegated IDA.
